- 17.4 Sufficiency of bid: The Bidder/ JV firm shall be deemed to have satisfied himself as to the correctness and sufficiency of the bid and of the rates and prices stated in the bill of quantities, all of which shall, cover all his obligations under the contract and all matters and things necessary for the proper execution and completion of Works and the remedying of the defects therein.

D. Submission of Bids

18.0 Sealing and Marking of Bids

The bid shall be submitted online through E-tendering. The bid should be submitted in two bid systems on or before due date and time.

Online: the price bid shall be filled online in the prescribe format provided on website.

- 18.1 The Bidder/ JV firm shall seal the original and copies of the Bid in separate envelopes, duly marking the envelopes as "**ORIGINAL**" and "**COPY**". These two envelopes (called as inner envelopes) shall then be put inside one outer envelope. Each set of the inner envelope marked "**ORIGINAL**" and "**COPY**" shall contain within it two separate sealed envelopes marked "**Technical Bid**" **only** with additional markings as follows.

- Original and Copies, as the case may be
- Technical Bid: to be opened on **23.07.2025** at **17:45** hours, in the presence of Evaluation Committee comprising of representatives of Employer and Engineer.
- The contents of Technical Bid will be as specified in Clause 12.1.

- 18.2 The inner and outer and separate envelopes containing **Technical Bid only** shall be addressed to the Employer at address given on face sheet of the bid document.

- 18.3 In addition to the identification required in Sub-Clause 18.1 & 18.2, each of the inner envelopes shall indicate the name and address of the Bidder/ JV firm to enable the bid to be returned unopened in case it is declared late, pursuant to Clause 20, or the Evaluation Committee declares the bid as non responsive pursuant to Clause 22 and Bidder/ JV firm is not qualified technically.

- 18.4 If the outer envelopes are not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the Bid.

- 18.5 **All information has to be submitted in prescribe format only. Any incomplete information provided will not be considered for evaluation.**

19.0 Deadline for Submission of the Bids

- 19.1 Complete Bids (**Technical Bid Only**) must be received by the Employer at the address specified above not later than the date indicated on the face sheet of the document. In the event of the specified date for the submission of bids declared a holiday for the Employer, the Bids will be received up to the appointed time on the next working day.

- 19.2 The Employer may extend the deadline for submission of bids by issuing an amendment in accordance with Clause 10, in which case all rights and obligations of the Employer and the Bidder/ JV firms previously subject to the original deadline will then be subject to the new deadline.

20.0 Late Bids

20.1 Any Bid received by the Employer after the deadline prescribed in Clause 19 will be rejected and returned unopened to the Bidder/ JV firm.

21.0 Modification and Withdrawal of Bids

21.1 Bidder/ JV firms may modify or withdraw their bids by giving notice in writing before the deadline prescribed in Clause 19 or pursuant to clause 21.

21.2 Each Bidder/ JV firm's modification or withdrawal notice shall be prepared, sealed, marked, and delivered in accordance with Clause 17 & 18, with the outer and inner envelopes additionally marked "**MODIFICATION**" or "**WITHDRAWAL**" as appropriate.

21.3 No bid may be modified after the deadline for submission of Bids, except in pursuant to clause 21.

21.4 Withdrawal or modification of a Bid between the deadline for submission of bids and the expiration of the original period of bid validity specified in Clause 15.1 above or as extended pursuant to Clause 15.2 shall result in the forfeiture of the Bid security pursuant to Clause 16.

E. Bid Opening and Evaluation

22.0 Bid Opening

- 22.1 The Employer will open all the Bids received (except those received late), including modifications made pursuant to Clause 21, in the presence of the Bidder/ JV firms or their representative who choose to attend at time, date and the place specified in Paragraph 3 of face sheet in the manner specified in Clause 19 and 22.3 in the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.
- 22.2 Envelopes marked “**WITHDRAWAL**” shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 21 shall not be opened.
- 22.3 The “Technical Bid” shall be opened. The amount, from and validity of the bid security furnished with each bid will be announced. If the bid security furnished does not conform to the amount and validity period as specified in the Invitation for Bid (ref. Column 4 and paragraph 2), and has not been furnished in the form specified in Clause 16, the remaining technical bid and the sealed financial bid will be returned to the Bidder/ JV firm terming it as non-responsive.
- 22.4 (i) Subject to confirmation of the bid security by the issuing Bank, the bids accompanied with valid bid security will be taken up for evaluation with respect to information furnished in Part I of the bid pursuant to Clause 12.1.
- i. After receipt of confirmation of the bid security, the Bidder/ JV firm will be asked in writing (usually within 10 days of opening of the Technical Bid) to clarify or modify his technical bid, if necessary, with respect to any rectifiable defects.
- ii. The Bidder/ JV firms will respond in not more than 7 days of issue of the clarification letter, which will also indicate the date, time and venue of opening of the Financial Bid (usually on the 21st day of opening of the Technical Bid)
- iii. Immediately (usually within 3 or 4 days), on receipt of these clarifications the Evaluation committee will finalise the list of responsive Bidder/ JV firms whose financial bids are eligible for consideration.
- 22.5 If, as a consequence of the modifications carried out by the Bidder/ JV firm in response to sub-clause 22.4, the Bidder/ JV firms desire to modify their financial bid, they will submit the modification in separate sealed envelope so as to reach the Employer’s address (refer sub-clause 18.2) before the opening of the financial bid as intimated in the clarification letter (refer sub-clause 22.4). The envelope shall have clear marking “MODIFICATION TO FINANCIAL BID- Not to be opened except with the approval of the Evaluation Committee”
- 22.6 At the time of opening of “Financial Bid”, the names of the Bidder/ JV firms were found responsive in accordance with Clause 22.4 (iv) will be announced. The bids of only these

Bidder/ JV firms will be opened. The remaining bids will be returned to the Bidder/ JV firms unopened. The responsive Bidder/ JV firms' names, the Bid prices, the total amount of each bid, any discounts, Bid Modifications and Withdrawals, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening. Any bid price or discount, which is not read out and recorded, will not be taken into account in Bid Evaluation.

22.7 DELETED

22.8 The Employer shall prepare minutes of the Bid opening, including the information disclosed to those present in accordance with Sub-Clause 22.6.

23.0 Process to be Confidential

23.1 Information relating to the examination, clarification, evaluation, qualification and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidder/ JV firms or any other persons not officially concerned with such process until the award to the successful Bidder/ JV firm has been announced. Any effort by a Bidder/ JV firm to influence the Employer's processing of Bids or award decisions may result in the rejection of his Bid.

24.0 Clarification of Financial Bids

24.1 To assist in the examination, evaluation, and comparison of Bids, the Employer may, at his discretion, ask any Bidder/ JV firm for clarification of his Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or fax or e-mail, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 26.

24.2 Subject to sub-clause 24.1, no Bidder/ JV firm shall contact the Employer on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder/ JV firm wishes to bring additional information to the notice of the Employer, he should do so in writing.

24.3 Any effort by the Bidder/ JV firm to influence the Employer in the Employer's bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidder/ JV firms' bid.

25.0 Examination of Bids and Determination of Responsiveness

25.1 During the detailed evaluation of 'Technical Bids', the Employer will determine whether each bid (a) meets the eligibility/qualification criteria defined in Clauses 3 and 4; (b) has been properly signed **and in prescribe format**; (c) is accompanied by required securities and; (d) is substantially responsive to the requirements of the 'Bidding Documents'. During the detailed evaluation of the "Financial Bid", the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e., priced bill of quantities, technical specifications, and drawings.

25.2 A substantially responsive "Financial Bid" is one of which conforms to all the terms, conditions, and specifications of the Bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Bidding documents, the Employer's rights or the Bidder/ JV firm's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Bidder/ JV firms presenting substantially responsive Bids.

25.3 If a "Financial Bid" is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

26.0 Correction of Errors

26.1 "Financial Bids" determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:

a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern.

26.2 The amount stated in the "Financial Bid" will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder/ JV firm in the following manner:

a) If the Bid price increases as a result of these corrections, the amount as stated in the bid will be the 'bid price' and the increase will be treated as rebate;

b) If the bid price decreases as a result of the corrections, the decreased amount will be treated as the 'bid price'

27.0 Evaluation and Comparison of Bids

27.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Sub-Clause 25.2.

27.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:

a) Making any correction for errors pursuant to Clause 26; or

b) Making an appropriate adjustments for any other acceptable variations, deviations; and

c) Making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Sub Clause 21.0.

27.3 The Employer reserves the right to accept or reject any variation or deviation and other factors, which are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the Employer. However the same shall not be taken into account in Bid evaluation.

- 27.4 If the Bid of the successful Bidder/ JV firm is seriously unbalanced in relation to the Engineer's estimate of the cost of work to be performed under the contract, the Employer may require the Bidder/ JV firm to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the performance security set forth in Clause 31 be increased at the expense of the successful Bidder/ JV firm to a level sufficient to protect the Employer against financial loss in the event of default of the successful Bidder/ JV firm under the Contract.
- 27.5 A bid which contains unrealistically priced low and which cannot be substantiated satisfactorily by the Bidder/ JV firm may be rejected as 'non-responsive'.

F. Award of Contract

28.0 Award Criteria

28.1 Subject to Clause 29, the Employer will award the Contract to the Bidder/ JV firm whose Bid has been determined

- (i) To be substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price; and
- (ii) To be within the available bid capacity (In case of multiple similar works) adjusted to account for his bid price which is evaluated the lowest in any of the packages opened earlier than the one under consideration.

In no case, the contract shall be awarded to any Bidder/ JV firm whose available bid capacity (In case of multiple similar works) is less than the evaluated bid price, even if the said bid is the lowest evaluated bid. The contract will in such cases be awarded to the next lowest Bidder/ JV firm at his evaluated bid price.

The same process will be continued in case the second lowest Bidder/ JV firm fails to meet with the bid capacity criteria described above.

29.0 Employer's Right to Accept any Bid and to Reject any or all Bids

29.1 Not with standing Clause 28, the Employer reserves the right to accept or reject any Bid, and to cancel the Bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder/ JV firm or Bidder/ JV firms or any obligation to inform the affected Bidder/ JV firm or Bidder/ JV firms of the grounds for the Employer's action.

30.0 Notification of Award and Signing of Agreement

30.1 The Bidder/ JV firm whose Bid has been accepted will be notified of the award by the Employer prior to expiration of the Bid validity period by writing, facsimile or e-mail confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance" as per format given in Annexure – IV) will state the sum that the Employer will pay the Contractor in consideration of the execution, completion, and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price").

30.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a performance security in accordance with the provisions of Clause 31.

30.3 The agreement will incorporate all agreements between the employer and the successful Bidder/ JV firm. It will be signed by the employer and sent to the successful Bidder/ JV firm, within 28 days following the notification of award along with the Letter of Acceptance. Within 15 days of receipt the successful Bidder/ JV firm will sign the Agreement as per format given

in Annexure – V) and deliver it to the Employer. Employer will then issue notice to proceed as per Annexure – VI.

- 30.4 Upon the furnishing by the successful Bidder/ JV firm of the Performance Security, the Employer will promptly notify the other Bidder/ JV firms that their Bids have been unsuccessful.

31.0 Performance Security

- 31.1 Within 15 days of receipt of the Letter of Acceptance, the successful Bidder/ JV firm shall deliver to the Employer a Performance Security in of the forms given below for an amount equivalent to 5% of the Contract price (plus additional security for unbalanced Bids in accordance with Clause 27.4 of Information To Bidder/ JV firms as decided by the Employer if necessary).

- A bank guarantee in the form acceptable to the Employer; (from a Bank as per circular no.10 of finance department of Ahmedabad Municipal Corporation of Ahmedabad Branch Only)
- Certified Cheque / Bank Draft of Ahmedabad Branch only as indicated in Appendix.

- 31.2 The performance security provided by the successful Bidder/ JV firm, in the form of a Bank Guarantee, should be issued by a Bank as per circular no.10 of finance department of Ahmedabad Municipal Corporation of Ahmedabad Branch Only.

- 31.3 Failure of the successful Bidder/ JV firm to comply with the requirements of Sub-Clause 31.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the Bid Security.

- 31.4 The Performance Security shall remain in force until the issuance of the Defects Liability Certificate and the security shall be returned to the Contractor within 14 days of the issuance of the Defects Liability Certificate.

- 31.5 Prior to making a claim under the performance security the Employer shall, in every case, notify the Contractor stating the nature of default in respect of which the claim is to be made.

- 31.6 Wherever there is increase in the tender amount and if contractor has carried the work beyond tender amount or agreed for the work beyond tender amount, the contractor shall furnish within 15 days of receipt of the Letter for revised tender amount to the Employer an additional Performance Security for an amount equivalent to 5% of the Revised Contract price minus 5 % of the original contract Price.

- 31.7 The contractor shall renew the Bank Guarantee from time to time whenever the validity period expired.

- 31.8 If the contractor fails to renew the Bank Guarantee, a 4% interest rate per annum will be charged on amount of Bank Guarantee as a penalty for the period between expiry of old Bank guarantee and submission of new bank guarantee.

32.0 Advance Payment and Security

- 32.1 The employer will provide an advance payment on the contract price as stipulated in the condition of the contract subject to maximum amount as stated in the contract data.

33.0 Dispute Review Expert /Arbitration

- 33.1 The Employer proposes to appoint Dispute Review Expert under the Contract, at daily fee to be finalised jointly with the Bidder/ JV firm plus reimbursable expenses. If the Bidder/ JV firm disagrees with this proposal, the Bidder/ JV firm should so state in the Bid. If in the Letter of Acceptance, the Bidder/ JV firm has not agreed on the appointment of the Dispute Review Expert, the Dispute Review Expert shall be appointed by The Executive Director, SRFDCL.

34.0 Corrupt or Fraudulent Practices

- 34.1 The Employer will reject a proposal for award if it determines that the Bidder/ JV firm recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question and will declare the firm ineligible, either indefinitely or for a stated period of time.
- 34.2 Furthermore, Bidder/ JV firms shall be aware of the provision stated in Sub-Clause 23.1

SECTION II

General Conditions of contract

1. Tax and Duties

"The rates quoted by the contractor shall be excluding of GST but including all other taxes other than GST, prevailing taxes and duties of the central, state and local governing bodies prevailing on the date of submission the contractor will have to pay all such taxes and duties for the performance of this contract. The employer will deduct from the contractor monthly and other payments all taxes and duties, which he is bound to recover in accordance with the applicable law. Any changes in tax system within the duration of the project, SRFDCL, shall compensate or contractor shall refund the net difference as applicable"

2. Currencies

All payments shall be made in Indian Rupees.

2.1 Price adjustment

The Price adjustment is not applicable.

4.0 Retention

- a. The Employer shall retain from each payment against Interim Payment Certificate issued by the Engineer to the Contractor 10% amount of the sum of value of work done + value of variations as agreed for payment + value of price escalation +certified value of day works.
- b. Release of retention money will be done on completion of the Defects Liability Period and after the Engineer has certified that all Defects notified by the Engineer to the Contractor before the end of this period have been corrected.

5.0 Insurance

- 5.1 The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover from the Commencement Date to the end of the Defects Liability Period, in the amounts and deductibles as stated below and the contract data, for the following.
 - (a) Loss of or damage to the Works, Plant and Materials. (minimum full replacement costs and additional 15% costs);
 - (b) Loss of or damage to Contractors Equipment and other things at site (minimum full replacement costs).
 - (c) Loss of or damage of property and personnel (other than the Works, Plant, Materials and Equipment in connection with the Contract); i.e. Third Party Insurance; and
 - (d) Personal injury or death. (i.e. Workmen compensation policy)
- 5.2 Policies and certificates for insurance shall be delivered by the Contractor to the Engineer for the Engineer's approval before the Commencement Date. All such insurance policies shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.
- 5.3 No work (Temporary or Permanent) shall be permitted at site in absence of proper insurance policies and up to date payment of premium.
- 5.4 The responsibility of any amounts not insured or not recovered from the insurer shall be borne by the Contractor in accordance with their responsibilities as defined in these clauses.

- 5.5 The Employer shall indemnify the Contractor against all proceedings, claims, damages, costs, charges, expenses in respect of the matters for which the Employer is responsible.
- 5.6 The insurance policy shall include a cross liability clause such that the insurance shall apply to the Contractor and the Employer as separate insured.
- 5.7 The minimum amount of insurance shall be as specified in these clauses and the Contract data. In the event of mismatch insurance shall be for higher amount.
- 5.8 The Contractor shall keep notified the insurer of changes in the nature, extent or programme for the execution of the works and ensure the adequacy of the insurances at all the times in accordance with the terms of the contract.

6.0 Variations

- 6.1 The Engineer shall make any variation of form, quality or quantity of the Works or any part thereof that may, in his opinion, be necessary and for that purpose, or if for any other reason it shall, in his opinion, be appropriate, he shall have the authority to instruct the Contractor to do and the Contractor shall do any of the following:

- Increase or decrease the quantity of any work included in the contract,
- Omit any such work,
- Change the character or quality or kind of any such work,
- Execute additional work of any kind necessary for the completion of the Works or
- Change any specified sequence or timing of construction of any part of work.

No such variation shall in any way vitiate or invalidate the contract, but the effects, if any, of all such variations shall be valued in accordance with the following sub clauses. Provided that where the issue of an instruction to vary the Works is necessitated by some default or breach of contract by contractor or for which he is responsible, any additional cost attributable to such default shall be borne by the Contractor.

- 6.2 The Contractor shall not make any such variation without an instruction of the Engineer. No instruction is required for quantities varying from those provided for the items in the contract bill of quantities.

7.0 Valuation of Variations

- a. *The basis for the valuation of variations for addition to the contract price shall be as follows in the same order of priority.*
- b. Contract unit rates for individual items shall apply to varied quantities where there is a quantity variation.
- c. In case of other types of variations following procedure shall apply.
 - If the Contract does not contain any rates or prices applicable to the varied work, the rates and prices in the Contract shall be used as a basis for valuation so far as may be reasonable. If this fails
 - Suitable rates or prices shall be agreed upon between the Engineer and the Contractor after due consultations among the Employer, the Engineer and the Contractor. These shall be based on

- The material costs, the labour costs, the cost of use of all plant, machinery and equipment, the cost of all temporary and incidental works, the overheads and the Contractors profit.
- The overheads shall be taken at 3 % of the sum of material costs, the labour costs, the cost of use of all plant, machinery and equipment, the cost of all temporary and incidental works.
- The Contractors profit shall be taken at 10 % of the sum of material costs, the labour costs, the cost of use of all plant, machinery and equipment, the cost of all temporary and incidental works, the overheads.
- d. In the event of disagreement, the Engineer shall fix such rates and prices as are, in his opinion appropriate and shall notify the Contractor accordingly with a copy to the Employer.
- e. The Engineer shall determine provisional rates and prices to enable on account payments to be included in the Interim Payment Certificates, until rates and prices are agreed as final by the Employer, the Contractor and the Engineer.
- f. The Engineer shall have the power to vary the rates or prices of all such items contained in the contract, if the nature or amount of any varied work relative to the nature or amount of the whole of the Work or part thereof, is such that, in the opinion of the Engineer, the rate or price contained in the contract, by reason of such varied work, is inappropriate or inapplicable. Then after due consultation with the Employer and the Contractor, the Engineer shall vary the rates or prices of such items of work.
- g. No valuation of varied works in accordance with above clauses 6.1, 6.2 and 7 is allowed unless the Contractor gives his notice to claim or the Engineer gives his notice to vary the rates or prices to the other party (The Contractor or The Engineer) within 14 days of the issue of instructions to vary in accordance with clause 6.
- h. The Contractor shall not be entitled to additional payment for costs, which could have been avoided by giving early warning.
- i. If, on the issue of the Taking Over Certificate for the Whole of the Work, it is found that as a result of: A. all varied works and B. Day works and C. adjustment of price in accordance with the price escalation clauses of this contract, but not from any other cause, there have been additions to or deductions from the contract price which taken together are in excess of 15% of the Effective Contract Price (Contract Price +Day works allowance) then and in such event there shall be added to or deducted from the Contract sum such further sum as may be agreed between the Engineer and the Contractor after due consultation with the Employer and the Contractor by the Engineer. These further sums shall be decided considering
 - Contractors general site and overhead costs and
 - Amount by which the additions or deductions from the contract price shall be in excess of 15 % of the Effective Contract Price.

In case of disagreement in determination of the further sum, the Engineer shall determine this amount and his determination shall be binding on the Contractor and the Employer. Contract price for the purposes of this clause shall mean the price at the time of award of the contract + all admissible price variation calculated in accordance with sub clause 3.

j. Day works :

The Engineer may, if in his opinion it is necessary or desirable, issue an instruction that any varied work shall be executed on day work basis. The Contractor shall then be paid for such varied work under the terms set out in the day work schedules included in the contract and at the rates and prices affixed to thereto by him in his bid.

Unless authorised and certified on a day to day basis by the Engineer in writing, no payments shall be allowed to the Contractor.

9.0 Termination

9.1 The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

9.2 Fundamental breaches of Contract include, but shall not be limited to the following:

- (a) the Contractor stops work for 14 days when no stoppage of work is shown on the current Program and the stoppage has not been authorized by the Engineer;
- (b) the Engineer instructs the Contractor to delay the progress of the Works and the instruction is not withdrawn within 28 days;
- (c) the Employer or the Contractor is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation;
- (d) a payment certified by the Engineer is not paid by the Employer to the Contractor within 90 days of the date of the Engineer's certificate.
- (e) the Engineer gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer;
- (f) the Contractor does not maintain a security which is required;
- (g) the Contractor has delayed the completion of works by the number of days for which the maximum amount of liquidated damages becomes payable as defined in the Contract data;
- (h) If the Contractor, in the judgement of the Employer has engaged in corrupt or fraudulent practices in competing for or in the executing the Contract.
- (i) For the purpose of this paragraph: "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidder/ JV firms (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition."

9.3 When either party to the Contract gives notice of a breach of contract to the Engineer for a cause other than those listed above, the Engineer shall decide whether the breach is fundamental or not.

9.3 Notwithstanding the above, the Employer may terminate the Contract for convenience.

9.4 If the Contract is terminated the Contractor shall stop work immediately, make the Site safe and secure and leave the Site as soon as reasonably possible and handover the site to the Employer including all materials and plant and equipment existing there upon.

10.0 Payment upon Termination

10.1 If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. Additional Liquidated Damages shall not apply. If the total amount due to the Employer exceeds any payment due to the Contractor the difference shall be a debt payable to the Employer.

10.2 If the Contract is terminated at the Employer's convenience or because of a fundamental breach of Contract by the Employer, the Engineer shall issue a certificate for the value of the work done, the cost of balance material brought by the contractor and available at site the reasonable cost of removal of Equipment, repatriation of the Contractor's personnel employed solely on the Works, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.

11 Default of Contractor:

- a. If the Contractor enters into voluntary or involuntary bankruptcy, liquidation or dissolution or becomes insolvent, or makes an arrangement with, or assignment in favour of, his creditors, or agrees to execute the contract under a committee of inspection of his creditors, or if a receiver, administrator, trustee or liquidator appointed over any substantial part of his assets, or if, under any law or regulations relating to reorganisation, arrangement or readjustment of debts, proceedings are commenced against the Contractor or resolution passed in connection with dissolution or liquidation or if any steps are taken to enforce any security interest over a substantial part of the Contractor's assets, or if any act is done, or event occurs with respect to the Contractor or his assets which, under any applicable law has a substantially similar effect to any of the foregoing acts or events, or if the Contractor has contravened the sub clause regarding assignment and subletting or has an execution levied on his goods, or if the Engineer certifies to the Employer with a copy to the Contractor, that , in his opinion, the Contractor:
 - b. Has repudiated the Contract,
 - c. without reasonable excuse has failed
 - i. to commence the Works in time
 - ii. to proceed with the Works, or any section thereof, within 3 days after receiving notice
 - iii. to comply with a notice issued within 3 days after having received it, or an instruction issued despite previous warning from the Engineer, in writing, is otherwise persistently or flagrantly neglecting to comply with any of his obligations under the contract or,
 - iv. has contravened sub clause regarding sub contracting,

then the Employer may, after giving 14 days notice to the Contractor, enter upon the site and the Works, and terminate the employment of the Contractor without thereby releasing the

Contractor from any of his obligations or liabilities under the Contract, or affecting the rights and authorities conferred on the Employer or the Engineer by the Contract,, and may complete the works, or employ any other contractor to complete the Works. The Employer or such other contractor may use the Contractor's equipment, Temporary Works or material as he or they may think proper.

- d. Assignment of benefit of agreement: Unless prohibited by law, the Contractor shall, if so instructed by the Engineer, within 14 days of such entry and termination referred to in clause 11 above assign to the Employer the benefit of any agreement for the supply of any goods or materials or services and/or for the execution of any work for the purposes of the contract, which the Contractor may have entered into.

12 Release from Performance due to Contractors default

- a. If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of either the Employer or the Contractor the Engineer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which commitment was made.
