#### **1.0 Bid Opening**

- 1.1 The “Technical Bid” shall be opened. The amount, from and validity of the bid security furnished with each bid will be announced. If the bid security furnished does not conform to the amount and validity period as specified in the Invitation for Bid (ref. Column 4 and paragraph 2), and has not been furnished in the form specified in Clause 1, the remaining technical bid and the sealed financial bid will be returned to the bidder terming it as non-responsive.

#### **2.0 Process to be Confidential**

- 2.1 Information relating to the examination, clarification, evaluation, qualification and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer’s processing of Bids or award decisions may result in the rejection of his Bid.

#### **3.0 Clarification of Financial Bids**

- 3.1 To assist in the examination, evaluation, and comparison of Bids, the Employer may, at his discretion, ask any Bidder for clarification of his Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or fax or e-mail, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 26.

#### **4.0 Examination of Bids and Determination of Responsiveness**

- 4.1 During the detailed evaluation of ‘Technical Bids’, the Employer will determine whether each bid (a) meets the eligibility/qualification criteria defined in Clauses 7; (b) has been properly signed **and in prescribe format**; (c) is accompanied by required securities and;

(d) is substantially responsive to the requirements of the 'Bidding Documents'. During the detailed evaluation of the "Financial Bid", the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e., priced bill of quantities, technical specifications, and drawings.

- 4.2 If a "Financial Bid" is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

#### **5.0 Correction of Errors**

- 5.1 "Financial Bids" determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:

a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern.

- 5.2 The amount stated in the "Financial Bid" will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder in the following manner:

a) If the Bid price increases as a result of these corrections, the amount as stated in the bid will be the 'bid price' and the increase will be treated as rebate;

b) If the bid price decreases as a result of the corrections, the decreased amount will be treated as the 'bid price'

- 5.3 A bid which contains unrealistically priced low and which cannot be substantiated satisfactorily by the bidder may be rejected as 'non-responsive'.

#### **6.0 Tax and Duties**

"The rates quoted by the contractor shall be excluding of GST but including all other taxes other than GST, prevailing taxes and duties of the central, state and local governing bodies prevailing on the date of submission the contractor will have to pay all such taxes and duties for the performance of this contract. The employer will deduct from the contractor monthly and other payments all taxes and duties, which he is bound to recover in accordance with the applicable law. Any changes in tax system within the duration of the project, SRFDCL, shall compensate or contractor shall refund the net difference as applicable". GST will be paid separately.

#### **7.0 Retention**

a. The Employer shall retain from each payment against Interim Payment Certificate issued by the Engineer to the Contractor 5% amount of the sum of value of work done + value of variations as agreed for payment + value of price escalation +certified value of day works.

b. On Completion of the whole work the total amount retained (5% of the **Contract Sum**) will be repaid to the Contractor.

#### 8.0 Liquidated damages

Rate of deduction for Liquidated damages for delay in completion of works	10% of cost of work done amount after expiry of time for the month considered or 0.25% per week or part thereof of contract value whichever is higher.
Maximum amount of Liquidated damages for delay in completion of works.	Liquidated damages for delay at completion of work will be 10% of the cost of remaining amount of work after original or extended time limit.

#### 9.0 Release of performance security

On Completion of the whole work the performance security will be released to the Contractor.
